## INTRODUCTION.

**O**TTAWA is still increasing in its population and putting up new and improved buildings, improving its roadways and sidewalks.

We are glad to be able to state that our patronage has materially increased this year both in the Circulation of the Ottawa Directory and in its advertising matter.

This is satisfactory to us, as it shows the public are beginning to appreciate our efforts in giving them an up-to-date and superior Directory of Ottawa City and its suburbs, as well as the City of Hull.

Although our book is smaller than usual this year, it contains more names and pages than last, but we have used a lighter but better quality of paper.

The number of names commencing with the different letters of the alphabet are as follows:

|             |      |        |        |        |      |
|-------------|------|--------|--------|--------|------|
| A.....      | 502  | J..... | 370    | S..... | 1055 |
| B.....      | 2288 | K..... | 480    | T..... | 694  |
| C.....      | 1837 | L..... | 1662   | U..... | 17   |
| D.....      | 1376 | M..... | 2657   | V..... | 189  |
| E.....      | 296  | N..... | 253    | W..... | 859  |
| F.....      | 736  | O..... | 406    | X..... | —    |
| G.....      | 1205 | P..... | 1058   | Y..... | 65   |
| H.....      | 1170 | Q..... | 61     | Z..... | 2    |
| I.....      | 50   | R..... | 1062   |        |      |
| TOTAL ..... |      |        | 21,160 |        |      |

You will notice that this total is not much larger than last year's, but we have omitted at least one thousand names that were in the last edition, being names of young ladies who live with their parents, domestics who do not remain more than one month in a place, and the names of mill hands who are only in Ottawa for a short time during the summer.

As we have in the past been accused of over-estimating the population of Ottawa we will still use the multiple of three to the number of individual names given in the Directory, and although we know that the increase during the last year has been over 3,000, we will call Ottawa's population 63,480, but will not take off another one, as we are fully satisfied that this is under the correct number.

Thanking all our patrons and those who so kindly assisted us in securing the necessary information,

We remain, yours truly,
